Winter Gardens, a family owned

business, has over 40 years of experience producing high quality foods. Centrally located in the heart of Pennsylvania we have access to some of the freshest ingredients. Combine this with our dedication to quality, integrity and consistency, and it's obvious how we form and maintain our valued partnerships.

Our flexible R&D team is comprised of a creative, experienced staff. Whether using our extensive collection of established recipes or developing a custom formula, our team quickly responds to client requests.

Food safety is a priority. In addition to being a USDA facility, we also have a complete HACCP program and conduct extensive pathogen monitoring. We expect a similar commitment from our vendors, so each potential supplier must first undergo an extensive audit before being granted approval. Our experienced team of associates is committed to the same level of quality and consistency.

Our service policy is simple. We do whatever it takes to keep you happy. It's reflected in everything we do... So call us. We'll be on your doorstep at a moment's notice ready to discuss the ways we can help your business grow.

Our phone numbers are 717.624.4911
and 800.242.7637

To send us a letter, comment or information requests you'll need this.
